Bills are regularly sent out to released inmates regarding the balance owed to the Detention Center. Although the amount received compared to the amount billed is insignificant, the expense of mailing bills certainly justifies continuance of our practice of billing inmates.

The Detention Center is making it a priority to research and secure collection procedures in an effort to increase recouped funds for the county.

During the 05-06 fiscal year we received \$36,318.08 from bills. A total of \$39,794.83 was secured for the 06-07 fiscal year.
